

SOUTH AUSTRALIAN FOOTBALL HONOURS

as of end of 2026 season

Prologue

This publication is not an official document of Football SA and is solely that of the editor.

The editor of this document obtained the information from sources including the South Australian Soccer Federation / Football SA Year Books, collated using previous newspaper editions at the State Library and Trove online. Many first names were only initials in recorded data, and the editor was able to source some first names via the State Library newspaper records.

Blank sections means that the editor has been unable to find the official information.

The editor would like to thank those people who have recorded past statistical information and made this information public to be able to access the information.

Some data was updated due to information researched by Dimitri Peppas and Tony Smith, that was found to be missing or incorrect in previous official documentation.

HALL OF FAME

The inaugural induction into the SA Soccer Hall of Fame was in 2003 and consisted of three levels and six different categories for induction. It considered the involvement of individuals associated with the game dating back to 1902.

In 2011, in conjunction with the FFA, the SA Football Hall of Fame Honours Committee changed the induction process to cater for one level and two categories, Hall of Honour for Non-Players and Hall of Champions for Playe
