

SOUTH AUSTRALIAN FOOTBALL HONOURS
as of end of 2019 season

Prologue

This publication is not an official document of Football Federation SA and is solely that of the editor.

The editor of this document obtained the information from sources including the South Australian Soccer Federation / Football Federation SA Year Books.

Some information was also collated using previous newspaper editions at the State Library. Many first names were only initials in recorded data, and I was able to source some first names via the State Library newspaper records.

I would like to thank those people who have recorded past statistical information and made this information public to be able to access the information.
